2016 at a Glance

With respect to socio-economic & sustainable development goals objectives ANTEA disclose it's impact and contribution in the different local contexts.

ANTEA continues giving effort to effective ways to report on topics that drive regional or local impacts

Engaging with stakeholder

Aligned with our commitment to the European Pact for Youth and the United Nations Sustainable Development Goals (SDGs), we strengthened our support for youth in 2016 by launching new educational and internship programs. These resulted in more than 400 partnerships, which involved more than 6,000 young people, learners, teachers and staff.

Our local community together with other stakeholders have benefited from a total of EUR 665.8 thousand from our development programs for the period 2010 – 2016
